

DNA Analysis Price List

Effective from March 13, 2023 for all types of payment

1. Human DNA Analysis

	SERVICE	PRICE
1	Legal Paternity/Maternity Test, used in court as legal proof <i>(official procedure, includes test results and forensic expertise)</i>	729,00 €
1a	Paternity/Maternity Test <i>(official procedure, without forensic expertise)</i>	477,00 €
1b	Forensic expertise	252,00 €
2	Paternity/Maternity Test^b <i>(for personal information only)</i> 16 loci	331,50 €
3	Paternity/Maternity Test^b <i>(for personal information only)</i> 24 loci	464,50 €
4	Prenatal Sex Determination <i>(from maternal blood; from 14 weeks of gestation)</i>	278,50 €
5	Prenatal Paternity Test <i>(limited to male fetuses, from maternal blood, from 14 weeks of gestation)</i>	490,50 €
6	Paternal Lineage Test (Y chromosome STR comparison test) <i>(2 samples, 23 Y-STR loci)</i>	437,00 €
7	DNA Sibling Test (half or full siblings)^b <i>(2 samples, analysis of 24 autosomal loci)</i>	464,50 €
8	DNA Grandparent Test^b <i>(2 samples, analysis of 24 autosomal loci)</i>	464,50 €
9	Fee for additional person <i>(1 sample, analysis of 16 autosomal loci)</i>	132,50 €
10	Fee for additional person <i>(1 sample, analysis of 24 autosomal loci)</i>	159,00 €
11	Fee for non-standard sample <i>(1 sample)</i>	53,00 €
12	Subsequent analysis of additional STR loci	66,00 €
13	Determination of DNA profile <i>(1 sample, analysis of 24 autosomal loci or 23 Y-STR loci)</i>	212,00 €
14	Determination of DNA profile from a paraffin-embedded tissue sample <i>(2 paraffin-embedded tissue samples)</i>	318,50 €
15	Determination of the presence of semen <i>(1 sample)</i>	99,50 €
16	DNA extraction <i>(1 sample)</i>	59,50 €
17	Urgent analysis <i>(4 working days, standard samples only)</i>	66,00 €
18	Fee for expert consulting	99,50 €
19	Fee for going to the court <i>(for 35 km or more from Zagreb or Osijek)</i>	0,40 €/km

All listed prices refer to DNA analysis from standard samples (buccal swab or whole blood).

All tested STR loci are included in European Standard Set (ESS) approved by European Network of Forensic Science Institutes (ENFSI). Analysis of additional loci includes analysis of loci recommended by ENFSI and EDNAP (European DNA Profiling Group), therefore they meet CODIS and European standards.

	SERVICE	PRICE
20	Coagulation Factors DNA Test (<i>combination 2 or more factors</i>) a. factor V Leiden 1691G->A b. prothrombin (factor II) 20210G->A c. methylenetetrahydrofolate reductase (MTHFR) 677C->T d. methylenetetrahydrofolate reductase (MTHFR) 1298A->C e. plasminogen activator inhibitor 1 (PAI 1) 675 4G/5G In/Del f. factor XIII (F13A1, Val34Leu) 103 G->T	36,50 € 36,50 € 36,50 € 36,50 € 36,50 € 36,50 €
21	Coagulation Factors DNA Test <i>(only one factor from item 20)</i>	43,80 €
22	GENContracept test a. factor V Leiden 1691G->A b. prothrombin (factor II) 20210G->A	73,00 €
23	DNA ACE Test rs4646994 (In/Del)	58,40 €
24	Lactose Intolerance DNA Test a. LCT-13907C->G d. LCT -14010 G->C b. LCT-13910C->T e. LCT -22018 G->A c. LCT-13915T->G	88,90 €
25	Lactose Intolerance DNA Test <i>(only one factor from item 24)</i>	29,20 €
26	GENFat test – DNA Obesity Test FTO rs9939609 T->A	58,40 €
27	DNA Secretor Status Test FUT2 428 G->A	58,40 €
28	GENPerform test	331,50 €
29	Urgent analysis <i>(5 working days, except for item 28)</i>	66,00 €

All prices for DNA analysis are per 1 sample.

2. Animal DNA Analysis

ITEM	SERVICE	PRICE
1	GENBird test <i>(bird sex determination from feather or blood, 1 sample)</i>	17,20 €
2	Urgent GENBird test <i>(5 working days, additional fee, 1 sample)</i>	6,60 €
3	GENDog test <ul style="list-style-type: none"> parentage test (1 alleged parent and 1 offspring) additional sample DNA profile determination (certificate) 	159,00 € 39,50 € 92,50 €
4	Urgent GENDog test <i>(4 working days, additional fee, only for standard samples)</i>	39,00 €

3. Sample collection kit for DNA testing

ITEM	SAMPLE COLLECTION KIT	PRICE
1	DNA Paternity Test	13,20 €
2	Coagulation Factors DNA Test GENContracept GENPerform GENFat Lactose Intolerance DNA Test Secretor Status DNA Test	9,50 €
3	GENDog test	9,50 €

All prices are per 1 kit.

For all prices for analyses and kits VAT number is included.

PAYMENT OPTIONS

One-time payment

- a) cash
- b) payment order
- c) online/mobile banking
- d) debit cards
- e) credit cards (MasterCard, VISA, Premium VISA, Diners)

Payment in installments (only for the cards issued in Croatia):

- a) debit cards Maestro and VISA (issued by Zagrebačka or Privredna banka)
- b) credit cards (MasterCard and VISA issued by Zagrebačka banka, VISA and Premium VISA issued by Privredna banka and Diners issued by Erste banka)

Cash and debit/credit card payment is possible at Genos LTD premises only. Debit cards payment in installments is possible only if such option has been agreed with the bank.
